

NATURAL CHEMISTRY

Spray-On Cleaner™ Instructions

Directions for use:

1. Attach garden hose to product applicator.
2. With water turned on, adjust product applicator clockwise to MIX. Proceed with steady even distribution of product over surface to be cleaned.
3. Allow to soak for at least 15 minutes (soak longer if needed).
4. Lightly brush heavily soiled areas if necessary.
5. Rotate product applicator counter clockwise to WATER in order to rinse off surface being cleaned.

Tip: Use Spray-On Cleaner on your mesh cover while it's still on the pool! Will not affect water chemistry.
