NOTES

- Power mechanisms allow you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.
- Three power buttons allow you to operate the reclining, headrest, and lumbar mechanisms independently. A single USB port is included on each power button control.
- Lay-flat mechanisms will accommodate occupants weighing up to 300 pounds.
- The 64PH console features two cup holders and a storage compartment.
- These styles feature extended footrests.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Additional leather colors are available through the Cade & Jade Custom-Order Program.

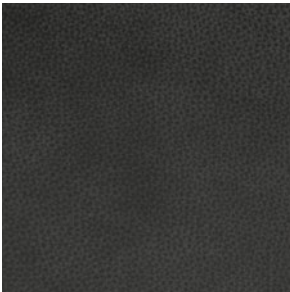

Home Button
The home button returns the headrest, footrest, and lumbar support to their original positions. To activate the home button, press and hold the button used to lower the footrest.

Dimensions are in inches and are subject to variance. Options and features are subject to change without notice.
